NEW TIME FOR MOTOR TRAINS

Superintendent Dimmock Arranges His Summer Schedule of Runs.
CARS START EARLIER AND RUN LATER

Aims to Land Passengers in Omaha by 5:30 and Bring Them Home as Late as 10 O'Clock in the Morning.

Commencing today a new time card will go into effect on all the lines of the motor company. In the preparation of the new schedule, which provides for an increased service, Superintendent Dimmock has, as far as practicable, taken into consideration the varied interests of the different classes of people who travel between Omaha and Council Bluffs and has endeavored to so arrange the train service as to meet the wants of all. Under the new time card, provided the travel warrants it, persons working in South Omaha and living in this city will get a train to Omaha at 5:30 a. m. and will be able to pack their trunks in time to go to work at 7 o'clock in the morning. This under the old schedule was not possible. The frequency of the morning trains will be such that all people working in Omaha can obtain trains in the morning that will land them across the river and give them ample time to reach their places of business by 5:30, 6, 6:30, 7, or 7:30 o'clock. After 7:30 o'clock a regular ten minute service will be the schedule until 11:30 at night, when the headway changes to fifteen minutes between the cars, which will, after midnight be increased to twenty minutes. The last train will leave Fourteenth and Howard streets in Omaha at 1 o'clock in the morning, although on special occasions provision will be made to bring back passengers at an even later hour than that.

Every train from the first car that leaves the house in the morning until the last train goes in at night will have a sure connection at Pearl street and Broadway for every point in the city. Hitherto people living on the Fairmount park line have had to be content with a twenty-two minute service. Under the new time card they will now have a regular ten-minute service until 1 o'clock at night. All the trains on the Omaha line will be heretofore run alternately around the loop at Oak and Pierce streets and down South Main street to the Rock Island depot. A local train will connect at Pearl and Broadway with the Omaha car that goes around the loop. The cars on the Fifth avenue line will be run direct between the Union Pacific transfer and Fairmount park without change at Pearl and Broadway.

HIGH SCHOOL CLASS GRADUATES.
Forty Young People Step Out into the Cold World.
The commencement exercises of the High school occurred last night in the Dohany opera house. When the curtain rose disclosing the nineteen young women and eighteen young men for whom the event was the crowning one of their school days, seated in four rows upon the stage with Principal Hayden and others of the faculty of the High school to the left and right, every seat in the house was occupied. The opera house was beautifully decorated for the occasion, the colors of the class of '08, red, white and blue, being carried out with a profusion of immense flags and the national emblem in every shape and form. Hand-some flags were draped over the stage, the boxes and the orchestra, while festoons of red, white and blue bunting hung in graceful folds beneath the galleries and were twined around the chandeliers and pillars.

Banked on either side of the stage were handsome potted plants and stately palms, while immense jardiniere laden with the choicest of roses graced the two small tables at the corners of the stage. Suspended above the center of the stage was the class motto, "Step by Step," in Greek letters formed of evergreens on a background of red, white and blue. Conspicuous in the boxes on the ground floor were the members of the class of '09, distinguishable by the '09 in huge numerals of evergreen that was hung over the box, while in the boxes on the other side were seated several members of the junior class of this year.

The class of this year was one of the smallest that has been graduated for several years and comprised about forty pupils, three of whom, Herbert Parry, Albert Klammant and John Q. Anderson, were unable to be present, they having responded to the call for troops and being in camp at Des Moines. Their diplomas will be sent to them by mail. The plan adopted last year of doing away with the usual essays and orations by the graduates was followed last night and in their place the graduates listened to an address by Prof. Benjamin Terry of the University of Chicago. The exercises were presided over by the Apollo Club, beloved by the invocation by Rev. W. S. Barnes, pastor of the First Presbyterian church. A feature of the program was the rendering of the class song, composed by Miss Bessie L. Pryor and rendered by the class. The presentation of the diplomas was made by President H. H. Thomas of the Board of Education. Prof. Terry's address was on the subject, "What is an Education?" and was a scholarly effort that was well received by the audience.

Iowa Exposition Commission.
Hon. S. B. Packard of Marshalltown, S. H. Mallory of Chariton, G. W. McCoid of Logan, Owen Lovejoy of Jefferson, R. H. Moore of Ottumwa and J. E. Markley of Mason City, members of the Iowa Exposition commission, arrived in the city yesterday for the purpose of attending the

opening ceremonies of the exposition today and incidentally to arrange the program and details of the dedication of the Iowa state building, to be held on Wednesday, June 22. A session of the committee was held last night and the program outlined and the preliminaries discussed, but nothing definitely decided on. Messrs. Lovejoy and Markley are accompanied by their wives.

Temporary Halt in Recruiting.

Recruiting for the local company of infantry which had been started by Major Louis I. Edson of this city the day following the second call issued by President McKinley for more volunteers has been stopped, temporarily. Major Edson yesterday received an answer from Governor Shaw, to whom he had written, asking for authority to organize a local company, in which Governor Shaw said as yet he had no information as to the arm of the service that would be required from Iowa or how the state might be benefited. At present he did not know whether a call would be made for more infantry or not, but if there was he would be pleased to accept a company organized in Council Bluffs. No further steps to recruit for the company, which now numbers some fifty young men, will be taken until something more definite is known as to whether it will be wanted or not.

Police Court Notes.
In police court yesterday morning L. J. Lyons, charged with peddling without a license, failed to put in an appearance when his case was called and his cash bond of \$5 was declared forfeited. J. O. Cummings another peddler without a license, was discharged on his agreeing to provide himself with one. Signor Niccolini Barbatto, the Italian organ grinder, who together with his monkey were arrested for giving a street exhibition without being provided with a license, were discharged by Judge Aylesworth, as he considered the arrest of Barbatto as stretching the law a trifle too much. Barbatto agreed to leave town and seek some other place where he could grind out music without being molested.

BUMPS JONES LARGELY RESPONSIBLE

His Good Pitching, Aided by a Little Poor Base-Running, Makes the Reversal of Form a Startling Reality.

COLUMBUS, O., May 31.—(Special Telegram)—There was a reversal of form this afternoon, Columbus having a pitcher in the person of Bumps Jones, who did to the visitors what once James Fisher did to the Senators Monday afternoon. Only seven hits were made off Jones, and as Hagerman was batted rather freely and two of the errors proved costly, the home team scored nine times and was never in danger of losing the game. Wolverton's base on balls in the first inning was followed by a sacrifice and two singles, one run scoring and another man being retired at the plate. In the fourth a single, two doubles, a sacrifice and an infield-out scored three. Knoll was hit by a pitched ball in the sixth, stole second, went to third on McCauley's bad throw and scored on Buckley's single. Tebeau singled in the eighth, stole second and Lyons' muff of an infield fly of Buckley scored Tebeau. Hits by Jones, Wolverton and Butler and Tebeau's two-bagger scored three in the ninth. In the second round singled, but was caught trying to steal second base. Eustace made a hit and Hollingsworth beat a slow grounder to first, but was caught trying to steal second. Lyons forced Holly at second. In the fifth the Omaha again made three hits in an inning without scoring. McCauley, Hagerman and Preston opened with singles. McCauley being forced at the plate by Fleming, leaving three on base. Score:
